

## RMSS MISSION AND VALUES STATEMENT

"To offer effective security solutions by putting our client needs in the centre of everything we do through our core values, protect the public and provide a safe and secure managed environment.

### **Core Values**

core values focus on the key components that help in delivering our mission.

#### **Client focus**

Every client wants to feel safe and secure and we can deliver this by working with our clients and offering the best possible personalised solutions.

#### **Operational Efficiency**

We will answer our people understand our values and deliver an unfaltering service by having the highest standards of training solutions available to help deliver a service second to none.

#### **Diligence**

We will ensure the delivery of the highest possible service to our clients; we will ensure that every aspect of the business has defined procedures and processes.

Where do we want to be?"

### **Vision**

Our vision is to become the leading provider of security solutions through the delivery of the best possible service through our core values.
